DESCRIPTION

I am a software enthusiast, developing with Java, C/C++, C#, Unity, HTML, CSS, JavaScript. My projects can be found on my GitHub. I'm in the IBDP at Bayview SS. I'm a problem writer on DMOJ, Canada's Largest Online Programming Judge. I love contributing to open-source and customizing different operating systems. I love to code and help others learn how to.

ACCOMPLISHMENTS

2019 - PRESENT

- Working on a set of beginner Linux tutorials at <https://linux.dolphinbox.net/>

2019

- Gave workshop on how to enjoy programming

2018 - PRESENT

- Private-tutoring Computer Science
- President of Bayview SS (BSS) Rubik's Cube Club
- Problem writer on DMOJ, Canada's Largest Programming Online Judge
- Executive in BSS Computer Club

2018

- Private-tutored Math
- Attended Catalyst Summer Program at University of Waterloo with 80 top-achieving students from across Canada
- Founded Rubik's Cube Club at BSS
- Organized YouthHax 2018, the first hackathon ever hosted in Markham (on December 1st, part of Major League Hacking (MLH)'s Local Hack Day)
- Gave MLH Localhost Workshop titled "Your First Website", taught students of all ages how to code their own website using HTML/CSS

2016 – 2017

- Grader at Kumon North America, Inc.
- Helped young students learn mathematics and English
- Taught kids with Autism to write simple computer programs (for Hour of Code)

2016 – 2020

- Bayview Secondary School's IB program

In my spare time, I solve Rubik's Cubes, ski, customize operating systems, create magic tricks, and write on Wattpad
